included in more than 100 anthologies today, has helped to transform academic fields including American, Chicana/o, composition, ethnic, literary, and women's studies. This reader—which provides a representative sample of the poetry, prose, fiction, and experimental autobiographical writing that Anzaldúa produced during her thirty-year career—demonstrates the breadth and philosophical depth of her work. While the reader explores Anzaldúa's published work, it also inculcates fresh insights into the newly available writing and new perspectives on Anzaldúa's life and career, including her upbringing, education, teaching experiences, writing practice and aesthetics, lifelong health struggles, and interest in visual art, as well as her theories of disability, multiculturalism, pedagogy, and spiritual activism. The pieces are arranged chronologically; each one is preceded by a brief introduction. The collection includes a glossary of Anzaldúa's key terms and concepts, a timeline of her life, primary and secondary bibliographies, and a detailed index.The Twenty Anniversary edition of Gloria Anzaldúa's classic exploration of life in the borderlands.Gloria Evangelina Anzaldúa—theorist, Chicana, feminista—famously called on scholars to do what matters. That this pronouncement was a rallying call, inspiring scholars across disciplines to become scholar-activists and to channel their intellectual energy and labor toward the betterment of society. Scholars and activists alike have encountered and expanded on these pathbreaking theories and concepts first introduced by Anzaldúa in Borderlands/La Frontera: The New Mestiza through an examination of the poetry of Anne Bishop. This volume offers practical and insightful resources for educators and students seeking to engage critical analysis from Anzaldúa's Borderlands/La Frontera: The New Mestiza.
reason that many of the critical issues Mexican American activists first brought to the nation’s attention then—educational disadvantage, endemic poverty, political exclusion, and social bias—remain as pervasive as ever almost half a century later: Examines the lives of migrant workers moving from south Texas up through the Plains, and the experiences of all ages and sexes. Light in the Dark is the culmination of Gloria E. Anzaldúa’s mature thought and the most comprehensive presentation of her philosophy. Focusing on aesthetics, ontology, epistemology, and ethics, it contains several developments in her many important theoretical contributions. “Rooted in Gloria Anzaldúa’s experience as a Chicana, a lesbian, an activist, and a writer, the essays and poems in this volume challenge how we think about identity. Borderlands/La Frontera remaps our understanding of what a “border” is, presenting it not as a simple divide between here and there, us and them, but as a psychic, social, and cultural terrain that we inhabit, and that inhabits all of us. This 20th anniversary edition features a new introduction comprised of commentaries from writers, teachers, and activists on the legacy of Gloria Anzaldúa’s visionary work.”--BOOK JACKET. Questions of whether anything exceeds reasonable sense and meaning have persisted throughout the history of philosophy. These questions have even continued in postmodern thought as well as in liberatory philosophies in which many kinds of events and lineages are experienced and seen as beyond philosophy. In this cowritten text, distinguished philosophers Nancy Tuana and Charles Scott pay particular attention to lineages and their dynamism as they develop the idea of things beyond philosophy, beyond norms. This is not a history of philosophy or a critical study of a particular philosopher but a way to engage experience around dimensions of events that are beyond measuring, counting, meaning, and value. These attunements, they assert, are vitally important for the ways people orient themselves in the world and comport themselves in it. Tuana and Scott build on the alternatives to normative ethics that they find in the work of Nietzsche, Foucault, and Anzaldúa. They urge attunement to the world as a way to speak about what is impossible to give voice to, to live in the spaces between speech and the unspeakable, and to conceptualize and articulate the boundaries of rational sensibility.” This critical edition of Borderlands/La Frontera, Gloria Anzaldúa’s foundational work for Chicano/Latinx studies, gender and sexuality studies, and border studies, includes a preface by Norma Elia Cantú, a critical introduction by Ricardo F. Vivancos-Pérez, the complete text of the original edition of Borderlands, including extensive critical notes, and a comprehensive bibliography of scholarship on Borderlands and history of reprints. In addition, it contains never-before printed facsimiles of draft versions of the both the prose and poetry sections of Borderlands from The Gloria Evangelina Anzaldúa Papers from the Nettie Lee Benson Latin American Collection at UT Austin and an Afterword about the Anzaldúa Papers from AnaLouise Keating”--Second edition of Gloria Anzaldua’s major work, with a new critical introduction by Chicano Studies scholar and new reflections by Anzaldua. In the dynamic tradition of the BreakBeat Poets anthology, The BreakBeat Poets Vol. 4: LatiNEXT celebrates the embodied narratives of Latinidad. Poets speak from an array of nationalities, genders, sexualities, races, and writing styles, staking a claim to our cultural and civic space. Like Hip-Hop, we honor what was, what is, and what’s next. Internationally renowned artist Makoto Fujimura reflects on Shusaku Endo’s novel Silence and grapples with the nature of art, pain and culture. Showing that light is yet present in darkness, he uncovers deep layers of meaning in Japanese history and finds connections to how faith is lived in contexts of trauma. Each year the three Reyes’ families drive from Chicago via Route 66 to Mexico City. Awaiting Lala there is a further intriguing journey through her family’s legends, secrets and history, and the puzzle as to why her Awful Grandmother’s special treasure was left unfinished.
