Dear Reader. I have a confession to make: I never know where my "muses" will take me next. It has not been an exciting literary journey—my writing has evolved in many unexpected ways, including the realm of historical romance, which I shall continue to write under my own name, Brenda Joyce. I have never lost sight, however, of my audience—my historical romance readers, and especially the "historical romance males." I have always been a voracious reader, and I enjoy writing for the kind of man who enjoys a good story and is not afraid to get involved emotionally.

The author of Abandoned Promises provides a eye-opening account of the deadly fire that devastated the Sunshine Mine in Kolody, Idaho, in May, 1972, a disaster that claimed more than ninety lives, and the dramatic voice of an insider. The book is a记述 of how a mining disaster happened, rather than a work of fiction. Readers will find it to be a gripping and thought-provoking read.

In this compelling novel, chemist Daniel Thomas tries to prove that his wife and unborn child were murdered. He makes it his mission in life to seek revenge. Meanwhile, deadly lint particles are unleashed in Miami, and the rescue of two miners who survived more than a week underground, in a study of a community wracked by an unimaginable tragedy. Reprint. 15,000 first printing.

A prediction that promises ultimate power to whoever possesses the Golden Capstone, an ancient Egyptian structure that protected people from global flooding before it was broken and scattered by Alexander the Great, propels a brutal competition among top nations, terrorists, and a coalition. By the author of Contest and Ice Station. 125,000 first printing."

"He's the most beautiful woman she's ever seen after her father's death for a job she can help her daughter with his increasing medical bills. She even applies to be a maid for Jacob Belmont, recluse writer, who's known more for the murder of his cheating wife and her lover than his popular thrillers. He may have gotten off on a technicality, but everyone knows he's guilty. Just because he's quiet and awkward doesn't mean he's not a killer.

In this gripping novel, Dr. Nick Goodwin, a Chicago surgeon who has never met a case he couldn't handle, is in charge of a hospital that is full of maimed World War II veterans. The patients are all looking forward to the end of the war, but they don't know that their recoveries are about to be put in jeopardy by an unseen enemy.

who is not about to give up her knack for sleuthing—even though she was almost killed in her last outing. Murder strikes once again in the seamy underbelly of New York’s high society, exposing scandalous secrets and unleashing an intense investigation into one of the most brutal crimes the city has ever known. Francesca must join forces with Rick Bragg, New York City’s Police commissioner and the man he cannot resist loving, as their search takes them through a twisted labyrinth of menacing lies, corruption, and a passion that refused to be denied.

Grace, a troubled character, but more commonly known as Ace in her profession for being one of the world’s most renowned assassins, is mysteriously recalled to an old English manor, which used to be secretly used to train other assassins by the evil genius Lord Edward Hamilton. A meeting takes place within the manor, where Grace horrifyingly finds herself in a life-threatening dilemma. She and four other world-class assassins are forced to work together against their will, to complete a series of assassinations that are practically suicide missions, to be able to save their own lives. Through Grace’s journey, friction and bonds are formed among the assassins as they uncover that these assassinations are not quite what they seem. They unearth secrets and stories that reveal more about themselves and their boss, Lord Hamilton. Grace learns more than what she wishes to do so, and it turns her world upside down. Will these assassins pull through and survive?

Glasgow, 1989. James Addison, aka Addie, has been a very busy man. Wanting for every type of crime for over a decade, there is only one hitch—he has never been seen, let alone caught. So, who or what is Addie? Does he even exist? When a small-time moneylender pimp is shot down on a Glasgow street, it seems to be just another gangland murder. But not for Andy Crimes, overseer of much of the city’s prostitution, drug dealing and protection rackets—and the dead man’s brother. When word leaks out that Addie is the killer, Crimes calls in his police allies and masters his troops. On the case is DCI Alex Breeze, and old-time cop, as crooked as he is vicious. He has been after Addie for years and never get close. As the streets of Glasgow heave with police and gangsters, over in Berlin the Wall is coming down. At this time of great change, opportunity and uncertainty, the two cities are linked by love—Breeze Bonds to be precise. Back in Glasgow, while pulling a scam on an old Jewish couple, one of Crimes’ men, Angie the Gopher, finds a biscuit tin full of Bond’s economic secrets issued in Germany before the Second World War. Angie smells money—the bonds could be worth millions—and he scuttles back to tell his boss. Now the chase is on. Who gets the bonds? How much are they worth? Who perishes along the way? For the answers you’ll have to rely on Addie. But can they catch him? Their last line will reveal all... maybe.

THE ROMAN MYSTERIES meets Sherlock Holmes! Alie has decided to learn to read at St Giles Raggled School. But the school is set on fire and idealistic teacher Mr Elmore perishes in the flames. Alie and his gang are certain that this was no accident and are determined to find the murderer. Together, they must sift claren and shadow suspects through the mean streets of Victorian London which they know so well—until the shocking truth is revealed. The second exciting adventure in the LONDON MURDER MYSTERY series.

“Stella” is a novel about extraordinary dedication. In her lifetime, she changed the course of history. In the same circumstances that produce deadly consequences also engender convenient heroes. This is the fictional account of life in a large municipal fire department, based on observations of the people who are often called to lay it all on the line. The heroic measures used to protect life and property often end with tragic results. The day-to-day life and actions in the fire house are captured and reflected to the reader, including the political department of many of the fire company’s members. The scope and magnitude of the equipment and its utilization are made vivid. The behavior and actions depicted within the fire house provide a look at the assorted personalities that make up the competent assemblage whose goal it is to preserve life and property.

“A TIGHT, TWISTY PLOT CATAPULTING TOWARD A FIERY CONCLUSION WILL PLEASE FANS AND SHOULD EARN JACKSON NEW ONES.” Publishers Weekly He’s been waiting for this moment. With every kill, he can feel her getting closer. Very soon—just a few more victims to go. All he needed was the girl, Dani, and now that he has her, his plan is in motion, and no one can stop it “A BOOK THAT’S HARD TO PUT DOWN.” -Times Record News The police don’t believe Shannon Flannery when she says someone is out there, watching her, trying to kill her. The only person on her side is Travis Settler. The former Special Forces agent is convinced Shannon’s claims have something to do with the disappearance of her daughter, Dani. The police are convinced she is the killer, but Shannon is just the beginning of a nightmare “ONE OF JACKSON’S BEST.” -RT Book Reviews Secrets have been kept from Shannon. Dark, dangerous, and very fatal secrets. Now, with no one to trust but a man who has every reason to doubt her, Shannon’s determined to discover the shocking truth, even if it brings her face to face with her own worst fears. Can she outsmart the man who wants to kill her? A novel of extraordinary dedication. In her lifetime, she changed the course of history. Grace Jordan is leaving her dark past behind. Having traded in her big-city badge for life in the slow lane in Rockville, South Dakota, Grace and her daughter were hoping to make a fresh, clean start. But crime is at-large in small towns, toward young women keep turning up brutally murdered. Before she knows it, Grace has got a serial murder case on her hands—and the infuriatingly seductive FBI agent Justin Breeze by her side. Grace did not come to Rockville looking for romance. But she can’t deny the chemistry between her and Justin—no matter how much she might want to. Meanwhile, things keep heating up as more women turn up dead, and a disturbing new pattern points to a killer who seems to be sending a message for Grace alone. But how could he know such secret, scandalous details about her life? Unless he happens to be someone from the past she would kill to forget.

This body of work provides detailed information on the nature of the fire problem for policymakers who must decide on allocations of resources between fire and other pressing problems, and within the fire service to improve codes and code enforcement, training, public fire education, building technology, and other related areas.

God is calling the Church out of the wilderness of unbelief and into His promised land of faith and abundance. "Unbelief: The Deadly Sin" speaks of how this sin has robbed many of their destiny and inheritance in Christ.
